

The SIMNSA tour

SIMNSA isn't just another provider located in Mexico. We offer true value benefits for both members and brokers. The type of value that is incomparable. **Here's a sample of what you'll discover on the SIMNSA tour:**

- Culturally sensitive perspective on patient care and treatment.
- New state of the art hospital and other additions made with the latest technologies
- Medical and alternative care options (i.e., massage therapy and acupuncture)
- Licensed and regulated by the Department of Managed Health Care (DMHC)
